Dearest Alpha  
 It has been a  
 joyous pleasure  
 to know you and  
 the assurance of  
 the association  
 with you.  
 I send it to you.

Alpha Day

Though I have  
 a short  
 vacation but a  
 long one I have  
 enjoyed our  
 vacation and wish  
 you all success  
 in your  
 day

Alpha please

remember me always,  
 I think of you  
 and would like to meet you  
 at the same time  
 I hope to meet you

Dear Alpha  
 I have enjoyed  
 your friendship  
 very much. I wish  
 you much success

Dear Alpha:

I think you've been  
really enjoyed your  
kind smiles. Give  
lots of love to your  
family. I hope you have  
a great time at the  
wedding. I'll be there.

Dearest alpha:  
 I've really enjoyed  
 your teaching this  
 year! I have learned  
 to love your class.  
 Love,  
 Marilyn

Dear Alpha,

I hate to think of our parting in  
 class and maybe in life. It has  
 been a very great pleasure knowing  
 you and your friendly disposition.  
 Whenever I think of English I will  
 think of you and how crazy we  
 used to act. Now since I am as smart  
 as you in English I won't call you an  
 excellent student. It's a gazel thing I  
 am not in any of your other classes.  
 Keep up your excellent grades in  
 college. I know you will never forget  
 that exciting time when you  
 rode home with me from Sue  
 Ball's party. I hope that our  
 friendship will continue throughout  
 the rest of our lives. Love to all  
 your friends. Wayne D. Hayton

Dearest Alpha:

I think you're a real  
sweet kid. Thanks a  
lot for all the Spanish  
you helped me get

Emilee Parsley

Dearest Alpha,  
Don't forget the  
good old days in gym  
class. We have really  
had a keen time.  
Here's luck to you.

Mary Joy

Dearest alpha.  
I hope you are enjoying a  
great time in English there.  
I hope you are enjoying all the success  
of your work. I hope you are  
always remembering me.  
I hope you are always  
remembering me.  
I hope you are always  
remembering me.

Dear Alpha:  
I hope you won't  
forget our P.L. and  
Tex. Hist. classes.  
You can't forget me,  
I'm too dumb.

Always a friend,  
Harold Hambrick  
I hope you are enjoying  
your work. I hope you are  
always remembering me.  
I hope you are always  
remembering me.  
I hope you are always  
remembering me.

Dear Alpha,  
I have enjoyed  
knowing you and  
being among your  
friends. Love  
Matthew  
Cagle

Dear Alpha,  
I don't know  
what I would have done  
if you'll hadn't lived by me,  
I like you very much. I wish  
you success and happiness.  
Love,

## DEDICATION

By his untiring service in the Agricultural Department, one member of our crew has spread the fame of Abilene High School over the state and nation. In recognition of his unselfish motives, his unfailing idealism, his co-operative spirit, and his depth of Goodfellowship, we dedicate this Flashlight to

## Executives

Superintendent R. D. Green

*"The man that hails you Tom or Jack,  
And proves, by thumping on your back,"*

**M**UST up, ...  
Mr. R. D. Green's office, for they know that a cheery "Good Morning" awaits them or, if Mr. Green is not busy, a friendly slap on the back or a hearty handshake. Whatever form this friendliness takes, Mr. Green backs it up with that genial smile he nearly always wears.

Our Superintendent treats the students fairly, always discriminating between right and wrong. He has proved his allegiance to the school many times and has shown himself to be a true and devoted friend to every individual student of Abilene High School.

The students of Abilene High School appreciate the friendliness Mr. Green displays. His attitude inspires them to achieve seeming impossibilities.

A. F. PAGE, JR.

Principal L. E. Dudley

*"Remember this --that there is a proper dignity and proportion to be observed in the performance of every act of life."*

Principal L. E. Dudley, the principal of Abilene High School, is one of the finest principals of which any high school can boast. Mr. Dudley is efficient in all his undertakings, honest in everything he does, and fair to everybody. He displays a fine sense of humor, and has shown the ability to get along with almost any one. One other quality stands out from the rest -- his ability as a leader of the many students of Abilene High School. The vast majority of the students know his real character, and realize that he has a genuine interest in each of them.

The students of Abilene High School honor and esteem Mr. Dudley and the high ideals and sterling qualities for which he stands.

A. F. PAGE, JR.

Assistant-Principal H. S. Fatherree

*"And he worked with a will."*

ONE of the hard workers in Abilene High School is Assistant-Principal Hilliard S. Fatherree. He has three express duties: teaching, coaching, and performing the offices of assistant-principal. Mr. Fatherree is head of the Spanish department of the high school and teaches four classes each day. He is also the coach of tennis, his ability being displayed by the fact that he always produces a winning team. The work and responsibilities of the principal, Mr. Dudley, have been shared by Mr. Fatherree for some years, but only during this year has the title of assistant-principal been bestowed upon him.

Mr. Fatherree has shown that he is a hard-working man and that he can accomplish much. Because of these qualities, the students of Abilene High School regard him with sincere respect and admiration.

My Dear Alpha:

May I write this close to the  
beauty section? It's the closest I'll  
ever get to it—

This is, indeed, a pleasure to  
get to write in your High School  
Annals. Very few do I get to even  
look at much less write in.

I have known you ages and  
can truly say. Think your

you will continue to do as well  
after you get out of High School  
as you have in High School— &  
I know you will.

Love to you—

*As the ship passes by, the sewing division of the Home Economics department is seen working on interesting projects while the general science classes study the rotation of the earth. Soap carving takes the attention of many students, but all the attention of our student counselor is given to reading poetry*

Harry feels the urge to study the human heart, so he takes up biology while Burnell shows the physics class the method of removing air from a jar. The cafeteria is filled, but they don't forget Mr. Fatherree at the desk. Public speaking students enjoy time spent on the stage, and the Battery Brats are very busy.

*It's cool for . . . don't trust James too far. Aren't the pep leaders a lovely quintuplet? Also the pep squad in one of their formations! The band boys enjoy drinks and candy. The fish pond is a place of rest, and just across the walk is a dog pile which requires only the ability of falling on. Strange that Lloyd faces the girls' entrance!*

*Ship ahoy! Just take a glance around the building at noon and see teachers enjoying life, the different methods of transportation to school, the pep squad girls selling programs for the game, Elizabeth Routh making use of the pacifier she got out of candy, the childish traits of the senior girls, and the boys wrapping themselves around the flag pole*

Just a game of flip-up and flop-over here, while over there a boy is doing the upper curve. A. F. prefers sitting on the outside rather than on the inside of an Austin. Why? Boys will be playful, especially when they have just had lunch, and even teachers can't resist spring training. What's happened? Everyone is talking it over.

Come ashore and see our coaches watching the boys work out. Ray is doing an essential exercise. The last lap, and who is in the lead? You guess. A take off is always exciting, and the talk of the District Meet will be the line-up of Abilene. A race is all right for track men, but some prefer Mrs. Gatlin. Tennis is very entertaining, unusually so when you see the A. H. S. squads.

*Twenty-four pops! Please note the effect. Davida Graham and A. F. Page Jr., honor typists. These girls had rather sit, but high honor Latin students stand up to announce that they won in contest. Figure out the attraction—Preston or soda pop? Speaking of attractions, Mr. Clay's hat was outstanding, while other teachers enjoy the day very much by really fixing the food! Don't they all look happy?*

# ATHLETICS

---

## DEWEY A. MAYHEW

TO EVERY true Eagle there is only one reason back of Abilene High School's athletic fame—Dewey A. Mayhew. There are three reasons for Coach Mayhew's success; he knows the game, he loves the game, and he works continuously at the game. Coach Mayhew stands for honesty and square play. Through these traits he has created two state championship football clubs, a national relay winner which set the previous state record, and basketball squads which always bid for the District crown. Whether on the athletic field or in the classroom, one cannot come into contact with Mr. Mayhew without being impressed by his sportsmanship and being benefited by his character.

MAYHEW

MURPHY

## EDWARD S. MURPHY

A man who played the game for the sport in it and played it clean and square is again back on the Eagle coaching staff. After serving as head mentor at Austin High School, El Paso, Coach Murphy is back helping to see that nothing but the best and cleanest football is played by Abilene High School. Not only is Mr. Murphy popular on the athletic field, but he is one of the best-liked teachers of the faculty. He is capable of causing the football team to be a characteristic of all Eagle students.

## Coaching Staff

Howard Miller, assistant coach, is an ex-Eagle who was graduated in 1925. Before coming to Abilene High School, he coached two successful years at Winters. Coach Miller helped to develop a fast charging line, one of the reasons for the Eagle football victories. He was head basketball coach and through his zeal and strenuous training rules, he was able to have a team that won eleven out of the seventeen games played. His splendid work in the athletic department makes one hope for many victories for next year.

Jack Christian is also an ex-Eagle, who has returned to Abilene High School to coach athletics and to teach physical training. Aside from this, he worked diligently with a large group of beginners, teaching them the fundamentals of football; and he tutored eleven Freshmen football players out of this group. He also produced a winning track team. Coach Christian's friendliness and companionship assure him a place in the hearts of all true Eagles.

Hilliard S. Fatheree came to Abilene High School in 1926 to teach Spanish, but his success as tennis coach has proved to be as brilliant as his work in the class room. In the nine years he has coached, he has turned out many successful teams, winning state honors twice. His personal interest in the players with whom he comes into contact has increased the lively interest in tennis.

## Pre-Season Games

**T**HE ABILENE EAGLES opened the 1934 football schedule with a convincing victory over a strong Class B team. The Eagle line proved too much for the Comanche forward wall, and the Eagle backs, led by Walter and Moser, swept around ends and over tackles with ground-gaining plays to win the initial game 28-0.

Abilene traveled to Sweetwater on September 28 and gave the Mustangs a long, which ended a three-year winning streak for the Mustangs. The Eagles playing their first Class A team, showed good form and returned home victors 39-0.

By defeating the Angelo Bobcats, the Eagles were recognized as a strong contender for the district crown. Moser, a fast-running fullback, proved capable of gaining ground on every play and was the mainstay in the Eagle backfield. The Bobcats fought hard, but were unable to threaten the Eagle solid line. Score 19-0.

Wichita Falls, another Class A team to fall before the mighty Eagle team, was highly recommended, but as the game progressed, could not stop the Eagle threats. Ballanz and Howell in the line, Moser and Walter in the backfield were the outstanding Eagle players. The visitors were able to put over only one tally, and the score read 53-7.

The Eagles, playing their last game before district competition, met the Lubbock Westerners, who proved worthy of the Eagle mettle. Led by Walter, the Eagles outplayed Lubbock in the first half and were leading 7-0. The last half, however, was played on a more even basis; the Westerners pushed over a touchdown, deadlocking the game 7-7.

## ABILENE VERSUS RANGER

On October 27, a tough Ranger team defeated the Abilene Eagles in their first conference game. The Eagles opened the scoring with a touchdown ten minutes after the game started when H. J. Jones had recovered a fumble on the Bulldogs' 18-yard line. From there the ball was worked down to the three-yard line, where Moser slipped over for the initial counter, and Gallbraith booted the point to put the Eagles ahead 7-0. Ranger retaliated and on three plays had crossed the Eagle 35-yard line, but failed on their try for point. To overcome this handicap, the Bulldogs worked the ball down to the Eagles' 18-yard line and kicked a field goal. Moser recovered a fumble and scored another touchdown to pile up the score. The Eagles threatened near the end of the last half, but the threat terminated in a fourth-down incomplete pass into the end zone. The Bulldogs' last tally was a result of a pass from the Abilene 35-yard line. Abilene 7; Ranger 20.

## ABILENE VERSUS BRECKENRIDGE

The Breckenridge Buckaroos shattered the last chance for Abilene to win or tie the Oil Belt Championship. The Eagles scored the first touchdown and allowed the Buckaroos only two first downs in the first half; but the Buckaroos kept improving, and Breckenridge got the better of the last two periods of play. When Abilene was caught in a hole, Schupbach booted out, but a Buckaroo returned the ball to the 25-yard line. The next play caught the Eagles napping, and the score was tied 7-7. Late in the fourth period a twelve-yard pass and a penalty against the Eagles placed Breckenridge in a scoring position, which they took to gain a 14-7 victory.

Summary: First downs  
Abilene 6; Breckenridge 12.

Yards gained, on running  
plays: Abilene 112; Breckenridge 153. On passes:

## ABILENE VERSUS EASTLAND

## The Eagles Take To The Air

The Eagles showed a new type of football on November 3, and handed the Eastland Mavericks a 20-0 drubbing. The Eagles proved to be the better team in the first quarter when they marched to the Maverick 20-yard line twice in rapid succession. Eastland was unable to stop the power-plays of the War Birds and Howell skirted right end for the first score. King accounted for a touch down before the half ended but after this the Eagles were unable to score until late in the fourth quarter. The score was made after a long drive terminating in a short drive over left tackle. This contest finished the home games of the season and was the last for the following seniors: Earl Jones, Schupbach, Balfanz, Howell, Colin Palmer, Galbraith, Shytles, and Walter.

## ABILENE VERSUS BROWNWOOD

The Abilene Eagles took an easy 20-0 victory from the Brownwood Lions on November 20. Abilene opened the scoring late in the first quarter when Holliday intercepted a Brownwood pass and ran for a touchdown. The Eagles had the ball on the Lions' 10-yard line when the quarter ended, and on the first play of the second period Holliday skirted right end for the Eagles' second tally. Howell added point after both counters. Late in the third quarter a fumble gave the ball deep in Brownwood territory, and Holliday scored his third touchdown for the day. The final score read: Abilene 20, Brownwood 0.

Holliday with three touchdowns to his credit was the outstanding player for the Warbirds. Harris at full back; Collins, guard; Collins and Schupbach, tackles, played good football for the Eagles. The victory proved costly for the Eagles when Jack Blackmon, end, broke his leg in the third quarter, after playing a great game.

Summary: First downs—Abilene 12; Brownwood 4.

Yards gained, on running plays—Abilene 270; Brownwood 85.

The 1934 football season ended with Abilene in third place in the Oil Belt District. The Eagles played a ten-game schedule, lost only to Breckenridge and Ranger, District opponents. The Eagles scored 119 points against their opponents' 51. The Eagles opened the season with three lettermen and have four lettermen returning for next year's squad: Ray Moser, Norman Cumpton, Willis Harris, and H. J. Jones.

## Other Athletics

## Basketball

AS SOON as the long football season was ended Coach Miller started his group of basketball men on their route for the 1933 basketball season. Chance for a successful year looked favorable with the return of many of last year's squadmen and two lettermen, Walter and Polansky. The first game was played in the Abilene gymnasium against San Angelo. The Eagles were to be overwhelmingly defeated, but lost by the score of 21-23, showing a strong defense and an ability to hit the basket. The remainder of the season the Eagles lost only six out of seventeen games played.

The tournament for the eastern half of District 8 was held in the Abilene gymnasium. The Eagles played their first game against Forsan, winning 33-18, but lost to Tuscola in the semi-finals by 26-37. This contest ended the basketball season and those winning basketball letters were Walter, Polansky, Moser, Rawlinson, Herman, Dodd, and Schupbach.

## Tennis

THE Eagle racquet swingers, coached by Hilliard S. Fatherree, returned from the District Meet at Sweetwater with victories in the boys' singles and doubles. Jack Wallace came through as champion of the singles and Kendall Jones and Maurice Fincher as double titlists. Wallace played a conservative game and defeated the representative of Big Spring in straight sets, 6-0, 6-2, 6-0. Jones and Fincher also won in straight sets, 6-2, 8-6, 6-1, over a team from Roby. The girls' double entrants from Abilene High, Oma Smith and Leah Gill, were eliminated in the semi-finals, while Peggy Rehm went into the finals to be defeated by Hermleight.

At the State Meet in Austin, Maurice Fincher and Kendall Jones won first place in the boys' doubles.

## Track

The track team began its season with the celebration of the Fat Stock Show Track Meet. The team looked strong with the return of three lettermen, Moser, Jones, and Green. Coaches Christian and Mayhew took seven boys to the Stock Show Meet and won it with a total of sixteen points. The relay was timed at 3:34 and showed such good form that they went to the Texas Relays the following week. The Eagles won second with the relay and third with the medley.

### Fat Stock Show Results

- Third place in 100-yard dash won by Moser
- Fourth place in 100-yard dash won by Tidwell
- Second place in 220-yard dash, won by Tidwell
- Second place in 440-yard dash, won by Green
- Second place in mile run, won by Daniels
- First place in mile relay, won by Chance, Moser, Jones, Green.

## Track

The Eagle track team attended the District 5 Track Meet at Sweetwater on April 6. The Eagles were doped to win the meet, although they had lost to Snyder the year before. Tidwell and Moser were the two dash men and Green was entered in the jumps and 110 and was to run the anchor lap of the relay.

### Results of District Meet:

First place in 100-yard dash, won by Tidwell

Second place in 100-yard dash, won by Moser

First place in 220-yard dash, won by Moser.

Second place in 220-yard dash, won by Tidwell

First place in 440-yard dash, won by Green

Fourth place in 110-yard dash, won by Jones

Second place in 880-yard dash, won by Ward

First place (tie) in mile run, won by Daniels

Second place in mile relay, won by Duval, Ward, Chance, Green.

Second place in high jump, won by Green

First place in broad jump, won by Green

Fourth place in discus, won by Graves.

The Eagles compiled a score of 48 points to win first place and the nearest second was Snyder with 14 points.

On April 24th the Eagle track team won the Regional Meet with a total of 31 points.

### Summary of Regional Meet:

First place in 100-yard dash, won by Tidwell

Fourth place in 100-yard dash, won by Moser.

## Volley Ball

MISS GLENNA FAYE GRANT, COACH

SINCE there are many girls interested in sports in Abilene High School when the call went out for volley ball a larger number than in previous years responded to this call. Among them were five members from the last year team: Roma Sparks, Rachael Rowlett, Viola Huffman, Lois Herndon, and Floy Bratton. The girls worked faithfully, practicing almost every afternoon. In a practice game with the men teachers, the girls were defeated after a hard struggle. Rachael Rowlett playing her third year, served the team efficiently as captain. Abilene came out very successful in the annual official volley ball contest in the District Meet. They defeated the strong teams from Roby, Wylie, Jayton, Anson, and Roscoe. But due to a tie a final game had to be played with Roscoe, and Abilene was pushed into a second place position, thereby winning a volley ball.

# Girls' Sport

GLENNA FAYE GRANT, ADVISER

THE purpose of the Girls' Sport Club is to promote interest in indoor and outdoor sports. It was organized in 1931 for every high school girl interested in sports, but this year it was limited only to junior and senior girls. This season the girls enjoyed an early morning hike through the wilds of Elmwood. In the spring the group gathered together for an overnight trip to the Boy Scout camp. During the year the members took part in various sports, among which were hiking, volley ball, skating, tennis, golf, bicycling, and swimming. This club affords recreation and amusement to those girls who have finished their gymnasium work and would not otherwise have entered into sports. It is believed to be permanently established in the activities of the school.

*Business Adviser*  
L. E. DUDLEY

THIS is the twenty-second year that the FLASHLIGHT has served the students and faculty of the high school. Both the editorial and business staffs have worked faithfully to present the students with a better annual this year. The annual combines the history and accomplishments of the students into a permanent record for the year. Each staff member feels that he has derived much experience and pleasure from this year's work. Not only has the staff given the students an annual, but they have brought more honor to the school because of the Flashlight's winning third in the Texas High School Press Association and obtaining a First Honor Rating in the National Scholastic Press Association.

To climax the year's activity and celebrate the annual's going to press, the staff held a picnic as a delightful diversion from the work of the year.

# Debaters

COMER CLAY, ADVISER

INTEREST in debating was on the up-grade this year. The squad of boys and girls mixed pleasure with study and competed earnestly for first team position. The squad began work in October in preparation for the defending of the District cup in both boys' and girls' divisions and the regional championship in the boys' debate.

Each class selected a team of three to represent it in the annual inter-class debates. The representatives of the Seniors were Margaret Ansley, Lescia Dee Farr, Alex Bickley; of the Juniors Sarah Elizabeth Clark, Betty Conner, W. F. Martin; of the Sophomores Lucille Winter, Wilma Ruth Bickley, Owen Baggett; of the Freshmen Eleanor Bishop, Cyrus Frost, Alfred Waldrop. The Freshmen, Juniors, and Seniors tied for the championship; the cup was awarded to the Seniors on decisions won.

The final tryouts were held February 15. Margaret Ansley, the only returning debater from last year, and Lescia Dee Farr were chosen as the first girls' team; Lucille Winter and Eleanor Bishop made up the second team. Alex Bickley and W. F. Martin made the first team of boys; A. L. Poe and Alfred Waldrop were chosen for the second team. Both the boys' and girls' teams of Abilene won first place in the District invitation tournament on February 8. At the Dallas Tournament on March 2 the boys' and girls' teams won all six of their debates.

Among the twenty-two boys' and girls' teams competing in the Third Annual Invitation Debate Tournament sponsored by Abilene on March 9, 1935, the first teams went to the finals, and the second girls' team won three rounds but lost in the semi-finals.

At the District Meet held in Sweetwater on April 6, 1935, both of the teams won first place, thereby securing permanent possession of the District cup.

## Hi-Y

## JACK CHRISTIAN ADVISER

**THE** Hi-Y, a national organization for boys, has been in Abilene High School since 1923. This club which is independent of the school, is made up of twenty high school boys. At the meetings every Tuesday night interesting programs were presented pertaining to the organization of a good character. The purpose of the organization is to promote a feeling of good fellowship and friendly relation among members and to build and uphold the character of all the boys. The rules of the club demand that each boy attend church services once every two weeks and be present at the club meetings. The Hi-Y participated in the indoor baseball league which helped to develop the boys physically. During the year several picnics, parties, and a banquet were held. The members have sweaters which bear the insignia of the organization.

# Personality Girls

MISS CLAUDINE OLSEN, ADVISER

**F**RIENDLINESS is the policy which every member of the Personality Girls follows. The objective of the Personality Girls is to promote friendliness and good sportsmanship among the students. This organization helps a girl to develop her individual character by charming and pleasing manners. In the fall of the year the girls participated in a picnic at Cobb Park. The spring affair was a tea in the lovely home of the adviser, Miss Claudine Olsen. Among the prominent town women that came to speak to the girls was Miss Lucille Auten whose subject was charm. A round-table discussion was held during the meetings on subjects of importance and interest to the modern girl. Twice each year new members are selected from the student body to replace those who have been graduated. These members are subjected to a week of pleadership, during which time they must go through the usual mode of initiation.

MISS OLIDA CLEMONS, ADVISER

**T**HE Girls' Glee Club stimulates an interest in music among the girls of the school.

The Glee Club presented two very entertaining and interesting programs in chapel. Some members of the club went to McMurry College, Abilene Christian College, and Hardin-Simmons University to give chapel programs. In the late spring the Girls' Glee Club helped to present the operetta "Rose of the Danube." The girls' quartet composed of Davida Graham, Love Arey, Montie Beth Ward, and Flora Lackey, sang at class meetings, churches, and luncheon clubs.

## Fine Arts

MRS. EDITH C. SMITH, ADVISER

THE Fine Arts Club was organized in 1934 to give the students an opportunity to study the best in painting and music. Although this club is young, it does not lack in the educational spirit which prevails throughout Abilene High School. Just think of the thrill received by the members of this club when they listened to the Beethoven "Sonata"! Even students not in this club enjoy its efforts, such as the pictures displayed in the office of the Student Counselor and the small library consisting of the best books collected by Mrs. Edith C. Smith.

# Pre-Medical

H. H. JOHNSON, ADVISER

THE aim of the Pre-Medical Club, which was organized in 1926, is to give the students information about first aid and Red Cross work. The students became acquainted with the institutions where they might secure an education in all branches of medicine and in nursing and dentistry. Through conferences with doctors and nurses, the members of this club were helped to decide what professions they wished to follow. This club proved most valuable in giving supervised information about professions which students were interested in.

## Get-Acquainted With Science

A. V. WILLIAMS, ADVISER

THE Get-Acquainted with Science Club is an organization in which students interested in science can do more extensive research work. It was established in 1933 for the purpose of studying and giving reports in scientific articles appearing in current magazines and newspapers. In the way of unusual things, the club, this year, built a bookshelf to be kept in the laboratory. The students from time to time accumulated magazines and newspapers of scientific importance and contributed to the library. The students were entertained at one of their club meetings by an interesting moving picture entitled "Electrical Transmission of Sound." Besides entertainment in their club meetings, the members studied the uses and applications of the apparatus in the laboratory. This club in addition to being educational gives the science students valuable training and information.

# Collectors

MISS ODELL JOHNSON, ADVISER

THE Collectors Club was organized in 1934 to stimulate an interest in the collection of valuable and unique articles. Many interesting things, from bars of soap to pink elephants from this and foreign countries, were collected. Besides gathering together these various articles, the members learned to arrange them and mount them.

The Club held a delightful Christmas party in the home of Betty Barnes. Names had been drawn, and each member gave a fellow member a gift which was to be added to his collection. The guests then exhibited their various collections and listened to interesting talks on famous collections in America and exhibits in foreign countries and received ideas on the arrangement and mounting of their own articles. This club is, indeed, an interesting club and a helpful addition to Abilene High School.

# Ye Little Players

J. C. HUMPHREY, ADVISER

THE Ye Little Players Club was organized in 1928 to teach the students how to read and interpret plays and how to produce worthwhile drama. The student body was entertained with plays. "On the Air", a light comedy was given at a night performance. The cast included June Frost, Elizabeth Stevens, Margaret Ansley, Natalie Tandy, and Bessie Jo Jackson. A unique Russian costume play was presented in chapel starring Etta Marie Gibbs, Mancill Shaw, Maldine Branch, and Jack Bowers. An amusing comedy, "The Elopement", was presented at the sophomore class meeting.

Since Ye Little Players became renowned as an educational dramatic club, it had to limit its membership. The honor of becoming a member of this club has filled many students with keen excitement and pride. Each year the Y. L. P. has a formal banquet in March and a picnic in the late spring.

# Playmakers

MISS JUANITA BARROW, ADVISER

THE Playmakers Club was organized in 1934 to enable the members to learn the fundamentals of stage technique. The students not only learned how to produce plays but also learned how to direct them. Martha Pearce and Helen Dwyer were directors of plays presented by the Playmakers. During the meetings the members took part in the discussion of the drama and practice of stage technique. This year the club presented "Weinies on Wednesday" for the meetings of the Junior, the Sophomore, and the Freshman classes.

## Pep Squad A

MISS GLENNA FAYE GRANT, ADVISER

THE purpose of the Abilene High School Pep Squad is to foster the best type of school spirit in the school, to support the school in all its activities, particularly in the field of athletics, and to establish a feeling of friendliness and sportsmanship among all its members. On December 20, 1934, the squad had its annual dinner in the cafeteria. Santa and his reindeer distributed the various gifts to the members. The annual Homecoming was held on May 11, 1935, at Lytle House where the new members served as a scrub team and as the waiting committee.

# Rythm Ritters

MISS LUDIE MAE HARRISON, ADVISER

THE Rythm Ritters were organized for the purpose of acquainting its members with business practices so that they might become better citizens in the business world. ~~Any~~ students taking typing or having taken it can become members of the club. The Club made a study this year of Abilene and Taylor County, its early history, its industries, factories, institutions, and leading citizens. They obtained ~~61~~ information from the ~~Abilene~~ *Abilene* and the *Texas Almanac*. After giving their reports, the students would outline or write out their parts, type them, and place them in the club scrap book - their project for the term. The program and minutes were also typed and put into the book. One interesting program was made of burlesques on people applying for positions. In the fall a picnic was held at the Filtration Plant, and all of the members on the team working for the Inter-scholastic Contest were invited to the spring affair.

In the State Meet Juanita Bull ranked first in Shorthand and Davida Graham third in typing.

## S. P. Q. R.

The Excelsior Club was organized in the fall of 1929 to arouse the interest of the student body in the life, art, and literature of the Romans. At the first meeting this year the members voted to change the name of this valuable club from Excelsior to the S. P. Q. R. Showing its patriotism, this club observed all the special holidays with appropriate programs. In order that new members might become better acquainted with the others, a party was held at the home of Patsy Ellis.

The club proved its value to the school by buying pictures for Room 35 to help make the school more attractive. The members of the club purchased individual pins during the year.

# Defessi Aeneadae

MISS MYRTLE TRANTHAM, ADVISER

Motto: *"Forsan et haec olim meminisse juvabit"*

FIVE years ago the Virgil class in the Home Room organization adopted the name *Defessi Aeneadae*, the Weary Followers of Aeneas; and each class since has retained this name as well as the motto. As this organization is really a Home Room Club, the programs outlined for all senior home rooms are followed.

At the Latin Tournament held in Colman, Nan Pearce won first place in both the fourth-year division and essay. She and Mary Margaret Dwyer won the fourth year cup, an honor which no Virgil class has ever lost. Bobbie Louise Bland represented the school in Latin Tournaments in both her freshman and sophomore year and Leah Gill won the essay in her freshman year.

A Christmas party was held in the home of Mary Virginia Williams and a spring outing were very enjoyable social affairs.

# Texas

MISS MARY BAGGETT, ADVISER

THE Texas Club was organized in 1933 for the purpose of learning more about Texas forts, trails, and famous battle grounds and making a study of her writers and other great men. The members of this year's club have worked on the subject of the Texas Centennial, which will be held in 1936. Their programs consisted of reports on reference work, quotations from famous Texas poets, and a study of short talks on Texas wild flowers, cowboy ballads, and groups of short stories. The club was entertained with a Christmas party in the home of Sybil Shiflett. Most of the members were present, and everyone received a gift. Games which had originated in Hollywood were the main features of the program. The spring affair was a picnic. Anyone interested in Texas or her history was welcomed as a member in the club.

## Band

RAYMOND T. BYNUM, ADVISER

THIS has been a most busy and successful year for the band, considering all the honors which it has won. Programs given by this organization consisted of pep rallies, chapel entertainments, and concerts. Much credit and honor should be given to Mr. R. T. Bynum for his untiring and faithful efforts in working with the members.

On April 2, 1935, the Band went to Enid, Oklahoma, where it participated in the Tri-State Band Contest. The honors the entire band won were first in playing and first in marching. Individual first honors went to Robert Collier in twirling the baton, Fred Schroeder in clarinet solo, Ellis Henderson in trombone solo, and Ray Maddox in saxophone solo.

# Orchestra

RAYMOND T. BYNUM, ADVISER

THE orchestra stimulates the taste for symphonic music and presents such music to the student body. It also affords both the boys and girls the opportunity to develop their musical talent, which talent has been displayed for the student body several times. The members have studied a large number of standard overtures and concert numbers which they presented at McMurry College and Hardin-Simmons University. The Cotton Belt Banquet also claimed the services of this musical organization. This unusual talent was in demand at various club and class meetings.

On the twenty-sixth of April the orchestra entered a contest at Hardin-Simmons University in which they won first place in Class A schools.

ORCH. HUNDRED FIFTY

# National Honor Society

L. E. DUDLEY, ADVISER

The four cardinal principles of the National Honor Society are **Leadership, Character, and Service**. The chief aim of this organization is to dispel ignorance and superstition through investigation of truth. Leadership is the power of personality that blazes the trail for man's upward climb. To be a leader one must develop within himself qualities that are useful to humanity; therefore character is a trait above all most desirable. This organization encourages character building. Because this is true, the motto is "I would rather have honor than honors". Service is the beginning and end of one's education. It is a willingness to render any worthwhile aid to one's home, school, and community; it is the golden rule of those who labor to give to others the joys that illuminate their own lives. The old members presented a chapel program for the installation of the new members.

## G an G

MISS T. CLACK AND MISS ODELL JOHNSON, ADVISERS

THE G and G, a senior girl organization, was formed for the purpose of bringing about a closer relationship among the girls in Abilene High School and fostering a spirit of friendliness and loyalty. Each girl at the beginning of the year chose a freshman girl as her "Little Sister", and at Christmas time a party was given for the "Little Sisters". On Valentine day each "Little Sister" received a valentine, and during the year various cards and greetings were sent.

## Congratulations . . . . .

It is a privilege to offer congratulations and best wishes to the student body of Abilene High School . . . . . Congratulations for what you have accomplished—and best wishes for your future success.

For you, Seniors, regretfully leaving the halls of your Alma Mater, we sincerely wish the utmost prosperity and happiness in the new tasks or studies confronting you. For you Undergraduates, remaining in school for further study, we rejoice with you at the prospect of new scholastic triumphs to come.

Abilene High School—like the West Texas Utilities Company—is a West Texas Institution . . . . working for and with West Texas. We are proud of the part we have played in the development of this great "Land of Opportunity" — and will continue to bend every effort toward further improving the economic, cultural and scholastic standards of our great Empire.

(Prize Poem in Southwest Intercollegiate Poetry Contest)

Before me stretched the sterile field.

## Where maize should be, sunflowers

Raised yellow faces to the sun,

Weighing the golden hours.

With a little hoe,

I watched them blow,

Then followed down a rocky row.

Above me in the brassy sky

The bullbats circled nearer

The stubborn sun was slow to set;

My row was but a mirror

To show my dad

The thoughts I had.

Though he was angry, I was glad

I had the poet's eye to see

Rough beauty in the thistle,

## Musician's ear to seek and love

A bulbat's evening whistle.

But summer heat

Male laggard feet

My hoeing never was complete.

What cared I if tools should rust,—

And crops were never weeded,

For since I had three meals a day,

These thoughts were all I needed

But still I see

Then point it me.

And wag their old heads hopelessly

## MASTERS OF THEIR CRAFT

The most famous sword maker of the 16th century was Andrew Ferrara, an Italian. Hammering every part of the blade from steel of his own manufacture . . . his swords exist today as masterpieces of his art.

When a man makes a product of the finest quality, it is with pardonable pride that he places his name upon it. The maker's imprint, accompanied by traditions of skill and high standards of honest dealings, becomes

the customer's guarantee of highest quality and satisfaction.

Emulating the old masters of sword making, Southwestern craftsmen put their finest work into every engraving bearing the SWECO imprint. It is your guarantee of painstaking care . . . of a superior printing plate.

We are proud to proclaim that the engravings in this volume were made by Southwestern craftsmen.
